ADMISSION FOR B.E. / B.Tech / B.Arch - 2024 UNDER CATEGORY II

INFORMATION AND INSTRUCTIONS TO CANDIDATES

1.0 GENERAL

- 1.1 The Association of Management of Coimbatore Anna University-Affiliated Colleges has been authorized as per the Proceeding No. COA/Engineering/032/2024, Dated. 07.06.2024 of the Committee to oversee the Admissions made by the Association of Management of Coimbatore Anna University-Affiliated Colleges, Coimbatore to admit students in to First year of B.E/B.Tech / B.Arch courses in various private professional colleges of Tamilnadu under Category II.
- 1.2 The students who have passed the regular HSC examination / appeared for instant examination conducted by the state board are eligible to apply for admission under this category.
- 1.3 Admissions under this category will be made on the basis of the rank list prepared after calculating the normalization of marks secured by the candidates in the relevant subjects.
- 1.4 **Mere submission of application will not confer any right to claim admission into any of the courses. The decision of the respective college admission authorities with regard to admission or refusal of admission of candidates(s) into the courses under Category II will be final.**
- 1.5 Communal reservation quota stipulated by the Government will be strictly followed in respect of admission of candidates into the course in all the colleges excepting the colleges included under the category of minority Institutions.
- 1.6 Rules and regulations of admission to B.E/B.Tech/ B.Arch courses under Category II detailed in this brochure are applicable to all the self-financing private professional colleges affiliated to Anna University Chennai, Anna University Coimbatore, Anna University Trichy, and Anna University Tirunelveli.

1.7 ADMISSION GUIDELINES

(A) For admission of HSC (Academic) passed students:

First Step:

Normalization of marks: The marks secured in Mathematics, Physics and Chemistry under part III of HSC will be calculated for 200 by

converting the marks secured in Mathematics to 100 and Physics and Chemistry to 50 each and then the normalized marks in all the three subjects are added to arrive at the total marks.

Second Step:

Ranking will be made on the basis of total marks thus arrived at after normalization of marks.

Third Step:

Selection of candidates to B.E/B.Tech/B.Arch courses under Category II will be made on the basis of the ranks secured by them.

Procedure for Normalization of Marks in the equivalent examinations conducted by other boards of examination.

In accordance with the provisions of Tamilnadu Act No. 3 of 2007 dated 5th March 2007 and G.O. Ms. No. 77 Higher Education (J2) dated 5th April 2007, the normalization of marks secured in the equivalent examinations conducted by other boards will be calculated as exemplified below :

(e.g.) : If the highest mark secured in the HSC examination of State Board of Tamilnadu in Physics is 100 out of 100 and the highest mark secured in the same subject in the equivalent examination conducted by any other board is 90, both the highest marks irrespective of their difference will be deemed as equivalent to 100.

If a student of the other board has secured 60 marks out of 100 in Physics when the highest mark in Physics in the examination of the said board is 90, the 60 marks secured will become equivalent to 66.66 marks as shown below;

$$\frac{100 \times 60}{90} = 66.66\%$$

Normalization of marks as shown above will be calculated and merged to create a common merit list, out of which candidates will be selected rank-wise for admission under category II.

If two or more students secure the same marks/ranks after normalization, the rank list will be recast by taking into consideration the differences in

the following according to the order in which they are stated below:

1. Percentage of marks in Mathematics
2. Percentage of marks in Physics
3. Percentage of marks in the Fourth optional subject under part III.
4. Date of Birth
5. Random number assigned (higher value will be given preference)

The overall rank list will be uploaded and published in the website of the Association of Management of Coimbatore Anna University Affiliated Colleges, Coimbatore at www.coimbatoreassociation.com for information to the candidates and the public. Copies of the same will be made available to the member colleges and to the Committee to Oversee the Admission Made by the Association of Management of Coimbatore Anna University Affiliated Colleges, Coimbatore. The ranks secured by the candidates will also be made available in the website.

B.Arch : Separate calculation will be carried out as per norms.

(B) For Admission of HSC (Vocational) passed students:

Ranking of students who have undergone HSC under Vocational stream will also be done following the same procedure adopted in the case of students who have passed HSC under the Academic stream.

The marks secured in the relevant subjects will be calculated for 200 as given below:

Related subjects : 100 marks

Vocational subjects : 100 marks
(Theory and Practical)
